

RF-LAMBDA

The power beyond expectations

ITAR / ECCN INQUIRY POLICY

RF-Lambda is committed to fulfilling its International Traffic in Arms Regulations ("ITAR") and Export Control Classification Number (ECCN) responsibilities and establishing ITAR/ECCN awareness with customers and suppliers.

In order to meet this commitment, all ITAR/ECCN technical data (as defined under ITAR/ECCN) sent to RF-Lambda must be specifically marked "ITAR-controlled/ECCN" in the subject line by the sender and sent only to

itar-eccn@rflambda.com

all in accordance with and subject to the provisions of RF-Lambda applicable quote or order acknowledgment, as applicable.
